

## Important Hours of Operations for Airline Passengers

Fort Smith Regional Airport is providing this information  
for the convenience of the flying public

### **Airline Check In Requirements:**

In Fort Smith you should arrive at the airport 90 minutes before your scheduled flight time. Please be aware that the airline ticket counter closes 30 minutes prior to scheduled flight time, so you must check in 30 minutes before each scheduled flight time.

### **TSA Security Checkpoint Hours:**

Please be aware that the TSA checkpoint closes at 5:40 pm which is the last SCHEDULED departure time of the day. Also be aware that if your flight is delayed, the checkpoint may still close at original SCHEDULED departure time. Don't get left behind! If you don't arrive prior to the closure of the checkpoint, you will miss your flight. Additionally, if you leave the secured area after the checkpoint closes, you can not re-enter. So again, you will miss your flight.

### **Airline Terminal Hours Operating Hours:**

The passenger terminal building opens at 4 am and closes for public use after the last scheduled airline flight arrives, normally 10 pm and later when necessary.

Please note that the Fort Smith Regional Airport does not set the hours of TSA or the Airlines.
